

Architecture and Art in Scandinavian Churches (1000-2000) and European Influence

Co-teaching Blockseminar by Dr. Julia Trinkert and Jakob Lindblad (University of Uppsala, Sweden)

5-7 February 2018, 8.00-18.00 h, 23.32.U1.21, incl. a one-day field trip
(English, Basisseminar (1330/2330/1340)/Aufbauseminar (1370/2350), 2 CP/3CP)

The course considers architecture and art in the church buildings in the Scandinavian countries, mostly in Sweden, but also in Norway, Denmark, Finland and Iceland. It will give a review of the church architecture and art from ca 1000 to ca 2000 and focuses on some examples. Especially it will point out periods, regions and examples where it is possible to note strong influences from the German countries.
